

DIGITAL MARKETING PROPOSAL

Prepared Exclusively For

Maa Sharda Sanjeevani Hospital

Buxar, Bihar

Prepared By

MedScale Digital

Healthcare Marketing Specialists

1. About MedScale Digital

MedScale Digital is a healthcare-focused digital marketing agency helping hospitals build a stronger digital presence, increase patient trust, and generate relevant patient inquiries through strategic digital marketing.

Our approach combines Meta Ads, Social Media Management, and Google Business Profile (GMB) Optimization to create a consistent and measurable growth strategy.

2. Our Objective

For Maa Sharda Sanjeevani Hospital, our objective is to strengthen the hospital's online presence and help connect with more patients across Buxar and nearby areas.

Key Objectives

- Increase local hospital visibility
- Generate quality patient inquiries
- Build trust through professional healthcare content
- Strengthen the hospital's online brand
- Improve Google search visibility
- Increase appointment opportunities

3. Meta Ads Management

Facebook and Instagram will be used as the primary performance marketing channels.

Includes

- Campaign Strategy & Planning
- Facebook & Instagram Campaign Setup
- Audience Research & Targeting
- Lead Generation Campaigns
- Department/Service-Specific Campaigns
- Creative Testing
- Campaign Monitoring
- Performance Optimization
- Monthly Campaign Analysis

Meta advertising budget is separate from the agency fee.

4. Social Media Management

We will manage the hospital's social media presence with a professional healthcare-focused content strategy.

Includes

- 8 Professional Social Media Posts Per Month
- Healthcare Educational Content
- Hospital Service Awareness Posts
- Doctor & Department Highlights
- Patient Education Content
- Preventive Healthcare Tips
- Festival & Special Day Creatives
- Professional Creative Designing
- Captions & Hashtags
- Monthly Content Planning

Content Strategy

Our content will focus on:

Awareness → Trust → Engagement → Patient Inquiry

5. Google Business Profile (GMB) Management

Google Business Profile is one of the most important platforms for patients searching for hospitals nearby.

Includes

- Complete GMB Optimization
- Business Information Updates

- Services & Department Updates
- Photo Uploads & Creative Updates
- Regular Profile Activity
- Review Management Guidance
- Local SEO Improvement
- Monthly Profile Monitoring

The objective is to improve the hospital's visibility in local Google searches across Buxar.

6. Monthly Reporting

Every month you'll receive a detailed performance report covering:

- Meta Ads Performance
- Lead Report
- Campaign Reach & Engagement
- Cost Performance
- Social Media Growth
- Google Business Profile Activity
- Key Insights
- Next Month Recommendations

8. Investment

Maa Sharda Sanjeevani Hospital – Digital Growth Plan

Particular	Investment
MedScale Digital – Marketing Services	₹10,000 / Month
Meta Advertising Budget	Additional / Separate
Agency Fee	₹10,000 / Month

Advertising Budget

The Meta advertising budget is separate from the agency fee and will be finalized according to the hospital's campaign objectives and desired scale.

Advertising spend will be paid directly by the hospital.

9. What You Get

With MedScale Digital, you'll receive:

- Meta Ads Management
- Social Media Management
- Google Business Profile Management
- Creative Designing
- Monthly Reporting
- Dedicated Marketing Support

Everything managed under one healthcare-focused digital marketing team.

10. Why MedScale Digital?

Healthcare-Focused Expertise

We understand how patients search for hospitals and healthcare services online.

Patient Acquisition Focus

Our campaigns are designed to generate meaningful patient inquiries rather than just likes and impressions.

Professional Brand Presence

Consistent and informative content builds trust and strengthens the hospital's digital identity.

Transparent Reporting

Clear monthly reporting with actionable insights.

Continuous Optimization

Campaigns are refined based on actual performance data.

Let's Grow Together

We look forward to partnering with Maa Sharda Sanjeevani Hospital, Buxar and helping the hospital build a stronger digital presence while reaching more patients through strategic digital marketing.
